

PUBLIC LEDGER

SIXTH YEAR.

MAYSVILLE, KY., THURSDAY, JULY 22, 1897.

ONE CENT.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts or dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls

upon THE LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers,

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge FIVE CENTS A LINE, and hereafter this will be the invariable rule. This, however.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for Business Local in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—20 lines—the bill is \$10.00. When he finds it out there is a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, no "full length" notices will be accepted hereafter. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

We Must Make Room

In anticipation of a big fall trade, and realizing that goods pertaining to our lines will advance, (a great many have already), we bought early and largely. We are already beginning to receive shipments. Moreover it will not be long before our great line of Men's Shoes will come in, so you see we must make room. Now, if you will look in our windows and see the line of Suits we are offering at \$10 you will assist us in making room. All of our Fancy Cheviot Suits, in Cheviot, Flannel, Stripes, etc., Suits that we sold at \$18, \$16.50 and \$15, go in this sale.

No house in the state ever did or ever will offer a line of Suits like these for the price,

--- \$10.00!

It is the greatest sacrifice sale we ever made, but as our patrons will be benefited, and it secures us too much money, we will only be too glad to have you take advantage of this sale. We have no room to quote prices on our more medium grades, but the entire stock will be sold at proportionate prices.

Please bear in mind this: No Suit will be sent out on approval. No Suit will be charged. Only

--- CASH!

Will buy the goods during this sale. Money, however, will be cheerfully returned if goods don't suit upon home examination.

In another place is the announcement of Mr. Albert N. Huff as a candidate for Chief of Police of the city of Maysville. For five years Mr. Huff has held the office of City Assessor, and it is needless to say that the city has had no better officer. He is in every way qualified for the office he now seeks, has a knowledge of the duties of Chief, and the support of the voters of the city will be highly appreciated.

The Editor of THE LEDGER finds it impossible to write of local occurrences when he is 300 miles from home. He was that far away when Jimmy Hasson cut Charlie Fox, and he never heard of the affair until it appeared in print. However, he takes pleasure in stating that the Reporter who wrote the item was in error when he stated that Fox had served a term in the Penitentiary. Charlie has never been there.

How far is it to Paradise?

In faith, I cannot say;

Last eve I saw a lad and lass

Stroll slowly out that way.

How far is it to Paradise?

No chart the goal reveals;

It lies not far, for folks I know

Have gone there on their wheels.

The Misses Burrows of Forest avenue, with a few particular friends, are today enjoying the pleasures of a picnic in the grove at Pelham Farm. A lot of well-filled baskets, a coterie of rollicking girls and prosaic men will form a picturesque sight when the lunch is spread, and no more fitting phrase can describe the whole than "It was out of sight clear through." The company is in honor of Miss Margaret Burrows, who is now at home for a visit.
